System Tests

- User Story 0 for Sprint 1: As a housemate, I should be able to log in to the app.
  - Start HouseHub
  - Type: "test [INSERT NUMBER INDICATING WHICH ACCOUNT] @mail.com"
  - Type: "[INSERT PASSWORD FOR RESPECTIVE ACCOUNT]" (For our test accounts, it's just "password")
  - Tap "Log-In" button
  - User should then be taken to the homepage (The current tab will be Bills).
- User Story 1 for Sprint 1: As a housemate, I should be able to create a homegroup so I can invite housemates to join.
  - Tap "Create New Group"
  - Enter a group name
  - Press Enter on keyboard
  - User should be able to see the group they have created
- User Story 4 for Sprint 1: As a housemate, I want to add groceries to a grocery list to share between housemates.
  - Tap "Groceries" tab
  - Press into "Item" box
  - Type the name of the item
  - Press into "Description" box
  - Type the description of the item
  - Tap "Add" button
  - User should see a new "Grocery" item added to the current Grocery list.
- User Story 2 for Sprint 2: As a housemate, I would like to see my current profile.
  - Tap "More" tab at the bottom of the screen, on the right.
  - Tap "Profile" item
  - The user should be able to see their Profile in its current status.
- User Story 5 for Sprint 2: As a housemate, I want to be able to join a group if I already have an account.
  - Create user, tap registration
  - Register
  - Tap "create Household"
  - Enter address
  - User should then land at the chores page

NOTE: OUR NUMBERING FOR THE USER STORIES RESET FOR SPRINT 3:

- User Story 1 for Sprint 3: As a housemate, I want to change my avatar for profile in chat.
  - Tap "Add New Photo" and select a photo.
  - Tap "Save New Photo" and the photo should be saved to the profile page.
  - Navigate to Messages and the user should see their saved photo in chat.

- User Story 2 for Sprint 3: As a housemate, I want to see the names of the members of my group chat
  - Click on more
  - Click on housemates to see all current housemates
  - User should then be able to see all current housemates
- User Story 3 for Sprint 3: As a user, I want to know when someone joins or leaves my house chat
  - Click on more
  - Click on messages
  - See automated message that user left/joined the group
- User Story 4 for Sprint 3: As a user, I want to use an app that has a consistent theme.
  - Open app
  - See that the color scheme is consistent for each feature
